meters deep, 20 kilometres in diameter, and covers an area of 311 sq. km.

Spectacular as it is, the crater accounts for just a tenth of the Ngorongoro Conservation area. The crater is home to many species of wild game and birds. With the exception of impala and topi (due to fierce competition with the wildebeest) and the giraffe (because there is not much to eat at tree level), almost every species of African plains mammal lives in the crater, including the endangered black rhino, and the densest population of predators in Africa. The birdlife, which includes the flamingo, is mainly seasonal, and is also affected by the ratio of soda to fresh water in Lake Magadi on the crater floor.

Meals: Breakfast, Lunch and Dinner

NOTE: Warm jacket/cardigan is highly recommended.

DAY 11 NGORONGORO CONSERVATION AREA

Breakfast at the hotel.

After breakfast we descend some 610 metres into the crater, which is home to an abundance of wildlife and a photogenic paradise, for a full day of game-viewing drive with picnic lunch. Ngorongoro Crater, the largest intact caldera in the world teems with an abundance of wildlife permanently resident on the crater floor. Prides of lions, herds of Cape buffalo, rhino, giraffes, golden & black-backed jackal, zebra, cheetah, leopard and the spotted hyena freely roam on the crater floor plains. Unmatched for its natural variety & breath-taking beauty, there are few places on earth where such a tremendous diversity of landscapes exist inside a region this size. Apart from its wildlife riches, the crater is also of great archaeological importance, with the remains of some of mankind's earliest ancestors discovered in the area, also a home to hundreds of bird species, refreshing in the small lakes in the crater floor.

Sweetwaters Tented Camp

A sheltered oasis, clustered around a waterhole and set in the pristine calm of its own private reserve, Sweetwaters Tented Camp is in a class of its own. Abounding with wildlife, unfettered by the more rigorous strictures of the Kenyan National Parks and designed to offer a charming blend of under canvas ambiance and uncompromising luxury, it has long been the preferred retreat of wilderness and safari lovers alike. One of only four private game reserves in Kenya, Sweetwaters excels in the provision of privileged seclusion and private game viewing. Thanks to its private status it also allows such unforgettable pleasures as night game drives, guided bush walks and both horse or camel riding across its game-teaming plains. Built in the 1970's, the Camp's main building was originally the residence of the ranch manager of this private reserve. The reserve comprises extensive savannah grasslands and the riverine forests that border the Ewaso Nyiro River.
